8th January 2020

Dear Parent/Carer,

Food & Nutrition/Design & Technology Contributions - Year 11 GCSE

As part of your child's Food & Nutrition GCSE course, we, as a school, will provide all the ingredients that they will need for all their lessons this year. We have found this is the most effective way to ensure that all students can participate in lessons.

In order for us to purchase all that is required for the year, we are asking for a contribution of £40.51 towards the cost of the ingredients. This will be made available for you to pay on ParentPay. This contribution will also pay for any coursework that we complete during this time.

This payment is due by 14th February. Please feel free to contact myself if you have any questions or concerns either by calling the school office and leaving a message or contacting me via my email at pwimberley@smsj.london

Yours sincerely,

Mrs P Deeley
