Wisdom Service Hope

Principal: Martin Serrão BA, MEd (Camb)

24th March 2020

Dear Parents/Carers,

Re: Year 11

We hope that you are well and staying safe.

We are mindful that you may have many questions pertaining to your children's outcomes and next steps. Unfortunately, we do not have the answers as we await further detailed guidance from the government. Mock exams sat in March are still being marked and grades submitted. We will update you further when these results and any other information become available.

We are currently compiling a set of subject specific resources for students to bridge the gap between GCSE and A Level. In order for it to be meaningful it may take some time to collate. However, in the interim, we have created a Google classroom containing a variety of resources. The code is **ek43ikr**. Please join the classroom to access the following resources:

- o Super-Curricular reading
- o Super-Curricular lectures
- o Free online subject specific courses
- o Research for UCAS and Higher Education
- o Stretch and Challenge activities

In addition, we would like to signpost you to the Sixth Form section of the website where you will find subject handbooks. Please be mindful that we are currently updating these handbooks with new course guidelines. These contain specification information and further resources you can access to get started on your A level courses of choice.

As aforementioned, further information and guidance will be provided in due course but please use all the resources provided. These will give you a formidable start on your journey into further education.

Kind regards,

Ms. Gershon
Assistant Principal
Head of Sixth Form

Ms. Thomas
Assistant Principal
