

Wisdom Service Hope

29th October 2019

Dear Parent/Carer,

Class Charts at SMSJ.

We recently started using Class Charts at SMSJ.

Class Charts is an online system which teachers use to track achievement and behaviour throughout the school day. We believe in working closely with parents and one of the key benefits of using Class Charts is that we are able to securely share your child(s) achievement and behaviour report with you and keep you up to date in real-time with your child's conduct at school. Your child's home learning will also be available for you to view.

Each child has a unique access code which they will be issued in school this week, they will be expected to bring this home for you.

Once you have been issued with a code you will need to create an account and enter the code here:

<https://www.classcharts.com/parent/login>

Links to mobile phone apps are also available to parents from this page.

If you have more than one child in the school then you can enter additional codes once you have created an account and are logged in.

We also want to use this opportunity to update you regarding the home learning expectations at SMSJ. After consultation with both staff and students, and in light of the launch of class charts, we have slightly amended the SMSJ home learning expectations. For all students we remain committed to setting meaningful home learning which is clearly linked to the curriculum. This home learning may enable students to consolidate, extend or apply their learning from lessons. In addition to this meaningful subject home learning, year 7 and 8 students are expected to complete 30 minutes of reading per day. A recommended reading list can be found in students' planners or on the school website. Further to this, each subject has created a selection of additional learning opportunities which year 7 and 8 students may choose to complete to further extend their learning or to explore a particular interest they have within a subject area. These additional learning opportunities are available for students and parents to access on the SMSJ website.

Please do get in touch if you have any questions.

Yours Sincerely

Ms Thomas
Assistant Principal
