Dear Parents/Carers

I would like to thank you all for your continued patience and support in these difficult and confusing times. We recognise it is hard to keep up with the most current guidance, but rest assured we will continue to follow the updated regulations to keep your son/daughter safe.

Consequently, we have now requested that all students, unless they have an approved medical exemption, wear a face mask in corridors and in all indoor communal spaces in line with the advice from Public Health England. This should be a plain mask.

Students this week have been mostly compliant. Please be aware that after the half term we will be monitoring that students are wearing their face masks appropriately and responsibly and if they do not, we will have to issue sanctions accordingly.

Yours faithfully,

Ms A Thomas
