Cleaning

It has been noticed that washing up is not being completed daily, and plates taken from the dining hall are not being returned. Continuing to neglect your housekeeping duties will result in you not being able to eat or drink in the Study Centre. Please complete washing up daily, and return plates to the Kitchen.

Assemblies

If you have an assembly, you will need to go straight to the Lecture Theatre for PAM registration. Please see a below list of assemblies coming up:

- **Thursday 28th November**
- **12AE Assembly – 5th December**

If you are not present in the Lecture Theatre at 8:45 prompt you will be marked as absent.

Paragraphs

From now onwards, anyone who attends a work experience placement, masterclass or educational open day, you will need to write a short paragraph about your experiences, and send it to Ms. Wood-Cain. The will be stored until it's time to apply for UCAS.

SUPER-CURRICULAR

Christ Church is offering a programme of academic enrichment to pupils in Year 12 from state schools and colleges in Barnet. Their aims will be broadening the pupils' academic experience, enabling them to explore beyond the school curriculum, and helping them develop the skills they will be needing both in order to make strong university applications and later, when attending university. They particularly encourage applications from students who are curious to find out if Oxford might be for them.
