Sixth Form Weekly Bulletin

24th January 2019

Important Dates

17th February – Last Day of Term

NOTICES

- **Supervised Study** – Well done Y12 on completing your first full week of supervised study. All minor issues should now be solved in regards to the timetabling, if you have any issues remaining please let Ms. Wood-Cain know.

ROUTINES

Supervised Study

Please see below a copy of the Supervised Study Timetable. Sessions will either be led by Ms. Gershon, Ms Wood-Cain or Ms. Phillips.

Ms. Wood-Cain					
Ms. Phillips					

Detention Procedures

If you arrive late to school, you will have a break time detention on that day. The detention will be held at 10:50am in the Reflection Room, and will last for 15 minutes.

Failure to attend this detention will result in an up-scaled detention the following Monday after school, which will last 40 minutes. Again, failure to attend this will result in an hour SLT detention on Friday.

Please ensure you all have access to ClassCharts, so you are able to manage your detentions. Ms Wood-Cain will email you a reminder prior to the detention to ensure you attend.

Assemblies

Please see a below list of assemblies coming up in the next couple of weeks:

- 30th January
- 6th February

*If you are not present in the lecture theatre at **8:45 prompt**, you will be marked as absent.*

SUPER-CURRICULAR – WORK EXPERIENCE

SUPER-CURRICULAR – FURTHER YOUR LEARNING

Harrow School Easter Revision Courses 2020

Harrow School are now running revision classes throughout the Easter Holidays next year. These will be running from Saturday 4 to Thursday 9 April and then Tuesday 14 to Friday 17 April 2020 and are suitable for GCSE, IGCSE and A-Level students taking examinations in the summer of 2020. All A Level courses run for three days.

Class sizes are small with a maximum of ten students for GCSE and eight students for A-level. This ensures they are able to give each student the individual attention they require.

To learn more, please contact either Ms. Gershon or Ms. Wood-Cain

SeeUni

SeeUni UK is a university ranking system which is based on how elite the universities are in terms of academic selectivity, research activity and teaching quality. You would find this independent ranking is in line with your feelings and at the same time you'll get new discoveries.

On Search Courses page and the individual course page at SeeUni.org users can search and compare undergraduate courses. Detailed information of every course published by HESA can be found here, including TEF, REF, current students' entry tariff band, student satisfaction (NSS), and graduate outcome, etc.

Please visit <https://www.seeuni.org/default.aspx> for further info on your chosen courses!

UCL Summer School Challenge

Every year, UCL runs a number of Residential Summer Schools for Year 12 state school students. The Summer Schools offer a taste of studying a degree programme and of university life. Summer Challenge is a programme of subject-specific courses for Year 12 students attending state schools in or near London.

There are a number of courses offered in a diverse range of STEM and Humanities subjects. Each course is taught by UCL academics and PhD students. During Summer Challenge, students work together to produce a group presentation or a poster which you will present to the rest of the group. Summer Challenge encourages critical thinking and debate and develops valuable skills for A-Level and university study.

Applications open on Wednesday 8th January and close on Tuesday 3rd March 2020.

Explore.org

Explore is an innovative digital outreach portal from the **University of Oxford**. As the 'Home of Big Questions' it aims to engage those from 11 to 18 years with debates and ideas that go beyond what is covered in the classroom. Big questions tackle complex ideas across a wide range of subjects and draw on the latest research undertaken at Oxford. Explore aims to realise aspirations, promote broader thinking and stimulate intellectual curiosity.

We encourage you to have a look around the site at <https://explore.org/about>

SUPER-CURRICULAR – LECTURES AND OPEN DAYS

Subject Masterclasses at Cambridge University

Subject Masterclasses are subject-specific events that offer academically able students in Year 12 (or equivalent) the chance to experience typical undergraduate teaching at the University of Cambridge, and to get a flavour of what it's like to be a student here. The Masterclasses cover a range of subjects and provide students with an opportunity to explore topics of interest beyond what's covered within the school curriculum.

Each Masterclass includes:

- two taster lectures delivered by leading academic staff from the University
- the opportunity to discuss and ask questions
- an introduction to the Cambridge admissions process
- the opportunity to hear about life as a Cambridge student from current undergraduates

Booking is essential and is open to individuals at a cost of £20 (to cover event costs). Funded places are available for anyone eligible for Free School Meals and for children in care.

London School of Economics (LSE) Festival: Shape the World

The LSE Festival: Shape the World will take place from **Monday 2 to Saturday 7 March 2020** and will be exploring how social sciences can make the world a better place. The Festival will bring together global leaders, innovators and change makers to investigate how we can learn lessons from the past, tackle the challenges of today and shape the future. All events are free to attend and open to all. Please see below a full programme of events.

All events are free and open to all. Book now at lse.ac.uk/festival

London Underground Insights Apprenticeship Event

You are invited to the London Underground Insights Apprenticeship Event on **Saturday 22 February 2020** at the TFL office in Stratford.

The aim of the event is to raise awareness about our exciting London Underground apprenticeships and learn about what each role entails so that you can make an informed decision about which scheme to apply for. There will be a chance to speak to current apprentices, their managers and the recruitment team, which can increase your chances of being successful. There will also be some engineering activities on the day that will highlight how what you learn in the classroom is converted into solving real problems.

This event is for those who are interested in Level 3 or 4 apprenticeships. The entry criteria to apply for the majority of our London Underground roles is a minimum of 5 GCSE's Grade A* - C or Grade 4 and above, including Maths and English Language.

To register, please visit the site below. Please note under 18's need written consent. You can find the form from the website: https://web.cvent.com/event/433b0a9d-71d1-4a81-90ab-cdb7bd10f7cb/summary?i=L8XosduaY0W2GTvIJSS_GQ

“With God, all things are possible” (Matthew 19:26)
