# Sixth Form Weekly Bulletin

31<sup>st</sup> January 2019

## Important Dates

6<sup>th</sup> February – Mock Results Day

17<sup>th</sup> February – Last Day of Term

## SHOUT OUT

Shout out goes to **Emma P-B, Senam, Romy, Olivia, Krishna, Koorosh, Rebecca, Lymuella, Jezne, Savvas and Sasha** who all attended the Holocaust Survivor Webcast. It was really good to see so many of you spend one of your frees listening to the testimony and taking part in such a valuable experience.

Well done **Lymuella** for being accepted onto the University College's History, Law and Politics Study Day!

## NOTICES

- **Mock Results** – You will be given your mock examination results after school on Thursday 6<sup>th</sup> February. Further details in regards to timing and location to follow.
- **Supervised Study** – Well done Y12 on completing your first full week of supervised study. All minor issues should now be solved in regards to the timetabling, if you have any issues remaining please let Ms. Wood-Cain know.

## ROUTINES

### Assemblies

Please see a below list of assemblies coming up in the next week:

- **4<sup>th</sup> February – Collective Worship**
- **6<sup>th</sup> February**

*If you are not present in the lecture theatre at **8:45 prompt**, you will be marked as absent.*

### Detention Procedures

If you arrive late to school, you will have a break time detention on that day. The detention will be held at 10:50am in the Reflection Room, and will last for 15 minutes.

Failure to attend this detention will result in an up-scaled detention the following Monday after school, which will last 40 minutes. Again, failure to attend this will result in an hour SLT detention on Friday.

Please ensure you all have access to ClassCharts, so you are able to manage your detentions. Ms Wood-Cain will email you a reminder prior to the detention to ensure you attend.

### Handbook Reminders

At the beginning of Year 12 you were all given student handbooks. These contain really useful information, and they were put together for you in order to ensure you have all of the tips and tricks needed to propel your learning in Sixth Form. Please refer to these for revision tips, note taking tips and overall pointers on how to get the most out of your revision.

## Cleaning Reminder

As stated many times previously, part of the responsibility gained whilst utilizing your Y12 area is that housekeeping is completed daily.

At the end of each day there should be no washing up in the sink, no litter on tables and the floor, and all chairs needs to be back as your found them in the morning.

Continual disregard for these rules will result in you being locked out of the Sixth Form area until further notice.

## SUPER-CURRICULAR – FURTHER YOUR LEARNING

### LSE Outreach Activities

There are a number of activities and workshops being offered to year 12's currently at LSE. Please see below:

#### **Politics Conference: Year 12 (Opens in February)**

<http://www.lse.ac.uk/study-at-lse/Undergraduate/widening-participation/Sixth-form-college/politics-conference-year-12>

#### **Student Shadowing**

***For more info, please see Ms. Phillips***

### **Harrow School Easter Revision Courses 2020**

Harrow School are now running revision classes throughout the Easter Holidays next year. These will be running from Saturday 4 to Thursday 9 April and then Tuesday 14 to Friday 17 April 2020 and are suitable for GCSE, IGCSE and A-Level students taking examinations in the summer of 2020. All A Level courses run for three days.

Class sizes are small with a maximum of ten students for GCSE and eight students for A-level. This ensures they are able to give each student the individual attention they require.

### **SeeUni**

SeeUni UK is a university ranking system which is based on how elite the universities are in terms of academic selectivity, research activity and teaching quality. You would find this independent ranking is in line with your feelings and at the same time you'll get new discoveries.

On Search Courses page and the individual course page at SeeUni.org users can search and compare undergraduate courses. Detailed information of every course published by HESA can be found here, including TEF, REF, current students' entry tariff band, student satisfaction (NSS), and graduate outcome, etc.

***Please visit <https://www.seeuni.org/default.aspx> for further info on your chosen courses!***

### **UCL Summer School Challenge**

Every year, UCL runs a number of Residential Summer Schools for Year 12 state school students. The Summer Schools offer a taste of studying a degree programme and of university life. Summer Challenge is a programme of subject-specific courses for Year 12 students attending state schools in or near London.

There are a number of courses offered in a diverse range of STEM and Humanities subjects. Each course is taught by UCL academics and PhD students. During Summer Challenge, students work together to produce a group presentation or a poster which you will present to the rest of the group. Summer Challenge encourages critical thinking and debate and develops valuable skills for A-Level and university study.

***Applications open on Wednesday 8th January and close on Tuesday 3rd March 2020.***

### **Explore.org**

Explore is an innovative digital outreach portal from the **University of Oxford**. As the 'Home of Big Questions' it aims to engage those from 11 to 18 years with debates and ideas that go beyond what is covered in the classroom. Big questions tackle complex ideas across a wide range of subjects and draw on the latest research undertaken at Oxford. Explore aims to realise aspirations, promote broader thinking and stimulate intellectual curiosity.

***We encourage you to have a look around the site at <https://explore.org/about>***

## **SUPER-CURRICULAR – LECTURES AND OPEN DAYS**

### **Subject Masterclasses at Cambridge University**

Subject Masterclasses are subject-specific events that offer academically able students in Year 12 (or equivalent) the chance to experience typical undergraduate teaching at the University of Cambridge, and to get a flavour of what it's like to be a student here. The Masterclasses cover a range of subjects and provide students with an opportunity to explore topics of interest beyond what's covered within the school curriculum.

Each Masterclass includes:

- two taster lectures delivered by leading academic staff from the University
- the opportunity to discuss and ask questions
- an introduction to the Cambridge admissions process
- the opportunity to hear about life as a Cambridge student from current undergraduates

***Booking is essential and is open to individuals at a cost of £20 (to cover event costs). Funded places are available for anyone eligible for Free School Meals and for children in care.***

## London School of Economics (LSE) Festival: Shape the World

The LSE Festival: Shape the World will take place from **Monday 2 to Saturday 7 March 2020** and will be exploring how social sciences can make the world a better place. ## London School of Economics (LSE) Events

LSE offer a huge range of free lectures, talks and events to support your learning, or to broaden your skillset or knowledge on a particular topic. From Brexit to the Death of Stalin, they cover it all.

For all activities available, please see below link:

<http://www.lse.ac.uk/government/events/events-programme>

Alternatively, a brochure listing all upcoming events can be taken from the literature stand outside of the Sixth Form Study Centre.

## CALLING ALL RS STUDENTS - Harrow School Talk with Peter Singer AC

On Wednesday 29<sup>th</sup> April, Harrow School are hosting a lecture with **Peter Singer AC**. Peter Albert David Singer AC is an Australian moral philosopher. He is the Ira W. DeCamp Professor of Bioethics at Princeton University, and a Laureate Professor at the Centre for Applied Philosophy and Public Ethics at the University of Melbourne.

This will be an invaluable experience, and we recommend you attend. If you wish to book, please see Ms. Phillips.
