September 2021

Dear Parent/Guardian,

Following the Government announcement to offer the Covid 19 vaccination to all 12-15 year olds, we are writing to offer your child this vaccination at a school based vaccination session. This age group are being offered a single dose of the Pfizer BioNTech vaccine.

A leaflet explaining the vaccination programme can be found at this link [COVID-19 vaccination: a guide for eligible children and young people aged 12-17](#)

The team are due to immunise at your child's school **St Mary's & St John's CE** on **Tuesday 19<sup>th</sup> October**. The consent process is electronic. In order to access the online consent form please click on the following link

<https://clchschoollimmunisations.co.uk/Forms/Covid>

In order to complete the form you will need the unique code for your child's school. This code is **CL103119**

Please be assured that despite media reports we will not vaccinate any child without parental consent prior to the day of vaccination.

Please note that the consent forms will be closed midday the day before the vaccination session so please ensure you return your consent form well in advance of that time. We kindly ask that even if you do not wish for your child to be vaccinated that you complete the consent form and decline.

Any queries please contact your local team on the number above.

Yours sincerely,

A Edwards
