

Dear Parents and Carers,

END & START OF TERM ARRANGEMENTS

As we approach the end of a summer term which has been full of uncertainties we would like to clarify arrangements for this our final week. Due to a high number of staff absence related to COVID infections and the existing Track & Trace process, we are reluctantly having to revise our planned arrangements. Year 7 and Year 9 will remain at home from Tuesday 20th July and will move to remote learning provision for the remainder of the week.

Last day of term will now be Thursday 22nd July for all Primary and Secondary students

Last day timings for our Primary Phase:

- Reception through to Year 4 will be dismissed after lunch on Thursday at 1:30pm
- Years 5 and 6 will be dismissed after lunch on Thursday at 1:00pm
- All primary students will have their lunch prior to dismissal.

Last day timings for our Secondary Phase:

- Year 8 will be dismissed at 12.50pm
- Year 10 will be dismissed at 12.40pm
- Secondary students eligible for free school meals will pick up a packed lunch from their respective canteens on Thursday 22nd.

Secondary Phase in detail

As children and young people return to the classroom, following the summer holidays and the further easing of restrictions, we need to be sure that potential Covid-19 cases are found as quickly as possible and measures put in place to prevent the virus spreading throughout the school community. From 16th August, if step 4 of the roadmap goes ahead, these measures will no longer include the self-isolation of close contacts if they are under age 18 or have had both doses of the vaccine. This makes regular lateral flow testing even more important.

Therefore, the return to school of secondary students will be staggered so that we can test all of our students using lateral flow tests twice before lessons commence. Students will then be given their own test kits to continue testing twice weekly at home. From September we will continue to provide test kits, but if you find you do not have sufficient supply to cover the summer holiday period, test kits can be ordered online or collected locally. More information is available at: <https://www.barnet.gov.uk/coronavirus-covid-19-latest-information-and-advice/covid-testing-nhs-test-and-trace-service/free#title-0>.

From Monday 6th September, all secondary students will be set distance learning activities to prepare them for the start of term to complete before they return to school.
