Dear Parents/Carers

Expression of interest only in an extended After School Club

Following the success of our current after school club provision, which commenced in September 2018, a number of parents/carers have expressed an interest in extending the current hours from 4pm to 5.45pm. We would therefore welcome your feedback to see if there is enough interest for this to be viable.

The cost of the sessions below would be determined once we had an idea of pupil numbers and therefore the number of staff required. The after school club would be open to pupils from Reception to Year 4.

If you are interested in an extended after school club for your child/children please complete the table below and return to the **school office** by **Friday 3rd May 2019**:

Would you use an after school club at Neale House? *(Please circle/underline)* Yes / No

If the answer is yes - which evenings/times would you use the club:

Day	3.15pm - 4.30pm	4.30pm - 5.45pm
Monday		
Tuesday		
Wednesday		
Thursday		
Friday		

(Please tick the appropriate box(es))

The children would be offered a drink and a snack, a quiet space in which to read or complete homework, play games and enjoy craft sessions.

Further details will be provided to parents/carers once all feedback has been considered.

Please note, should we decide to extend the club, payment will be required half termly in advance. This is in order to ensure that the club is a viable concern.

There may be an option for 'drop in' sessions if spaces were available.

Yours sincerely,

Mr M Serrão
Principal
