Tuesday 19<sup>th</sup> March 2019

Dear Parent/Carer,

Following a recent letter from Mr Serrão regarding the 'Momo' challenge and online safety, I am pleased to let you know that we have arranged for a Safeguarding training provider to deliver a bespoke information and advice session for parents and carers of students at SMSJ.

Education Child Protection is a specialist training company that works with organisations which come into contact with children, young people, families and adults at risk. They have extensively provided consultancy and training in the statutory, public, voluntary and private sectors. They are known for delivering training that is of the highest quality, which makes a positive impact on those who receive it.

Their dynamic, high quality presentation will provide parents an insight into the wide array of applications, games and websites that children are engaging with. This session is a *must* for all parents whose children have a presence in the digital world. The outcome is to empower parents to keep their children safe when using technology.

There are 3 areas to be covered in the session:

- How we educate children regarding staying safe online
- Update into the online world of children
- Making things safer at home

We have scheduled this hour long session for **Tuesday 26<sup>th</sup> March at 5pm** to take place at **Stamford Raffles Campus, Downage, NW4 1AB**. There will be a repeat of this session in the Summer term for those who are not able to attend this first session.

We strongly advise that you take the opportunity to upskill yourself, broadening your knowledge and awareness of how children are engaging with the online world and find out some useful tools support you in keeping your child safe.

If you would like more information, you can visit the website: [www.ecplimited.com](http://www.ecplimited.com)

Please can you respond by **returning the attached slip** to advise us of your attendance. The session is free but there are limited spaces and we will have to work on a first come first serve basis.

Yours faithfully,

Mr Nofer Fari  
Assistant Principal

**Online Safety workshop – 26<sup>th</sup> March 2019**

**Please return this reply slip by Monday 25<sup>th</sup> March**

I would like to attend the online safety workshop on Tuesday 26<sup>th</sup> March, I understand that this will be on a first come first serve basis.
