Dear Parent/Carer

**Stamford Raffles Campus – Practical PE lessons**

Thank you for your continued support in getting our students back into school safely over the past few weeks. We are delighted to be in a position to restart practical PE lessons at our Stamford Raffles Campus for GCSE classes next week and core lessons the first week back after the half term break.

The sports and activities which students will be taught, have been approved by the National Governing bodies of each sport and the Government. We have produced a comprehensive risk assessment and will be sticking to strict social distancing and hygiene regulations, which will be communicated to all students at the start of every lesson.

Please see below information for our phased return to practical PE lessons:

- **Week beginning 19/10** – Year 10 and 11 GCSE PE lessons
- **Week beginning 02/10** – Year 9, 10 and 11 core PE lessons

Due to the complexities of our Bennett House Site, we will be providing a separate update for Years 5, 6, 7 & 8 in the coming weeks.

As previously communicated, and in line with the Association of Physical Education's guidance, on the days that students have PE, they will need to come to school wearing their PE kit and remain in their PE kit for the whole day. Please ensure that students bring a water bottle to use on these days.

As always, thank you support in helping your child to take part in practical PE lessons as they start, under the current circumstances. Please feel free to contact me if you have any questions or concerns.

Yours faithfully,

Mr McHugh  
Head of PE
