Dear Student and Parents/Carers,

Year 11 Summer Exams announcement

I hope you had a restful and peaceful Christmas break with your loved ones.

Following on from the announcement by the Government regarding the cancellation of the exams this summer, I am writing to remind students about expectations whilst learning from home. Undoubtedly, it is highly important that all students engage, participate and remain committed to their Distance Learning as much as they possibly can to ensure readiness for alternative forms of assessment. **Students are expected to attend all online lessons on time as per school timetable, and have all equipment to hand in order to maximise success and progress.**

We understand that these are uncertain and unprecedented times, but as a school we would like to assure you that we are here to support you both emotionally and academically.

As things progress throughout the course of the coming weeks, we will continue to provide you with further updates.

Once again thank you for your patience, resilience and tenacity during this difficult time.

Yours faithfully,

Ms R Ahenkan
Head of Year 11
