Dear Parent/Carer,

I am writing to inform you of the forthcoming Year 9 examinations.

The reason for these exams is to replicate the procedures of the GCSEs, in order to give the the Year 9s an understanding of the protocol and expectations. As a school, we believe this will be invaluable for all students.

Students will sit exams in the main exam hall for their core subjects: English, Maths, Science & Religious Studies. The exams will commence **Tuesday 7th May 2019** and run until **Thursday 9th May 2019**. The students will be informed of the procedures they will need to follow prior the exam, entering the exam hall, and while they are doing the exam. The assessments for the remaining subjects will take place in lessons.

Students will be expected to have their full writing equipment which includes the items below all in a transparent pencil case;

- black pens,
- pencils,
- pencil sharpeners and rubbers.

Please ensure that your son/daughter also has specialised equipment such as a calculator, protractors, and allowed reference material. This equipment will not be provided during the assessment and students will

be sanctioned if they do not have the equipment.

Teachers will be preparing students for the examinations, highlighting what needs to be revised and supporting students with different methods to do this. There is also a revision guide on the school's website which students will find useful. I strongly encourage all students to make maximum use of the time in and out of the classroom. The timetable of examinations is attached. Please do not hesitate to contact me if you require any further information.

Thank you for your continued support and involvement in your child's education.

Kind regards, and wishing your child every success for their exams.

Yours faithfully,

Ms Ahenkan
