Dear Parents/Carers,

I am writing to inform you of the forthcoming Year 10 examinations.

Year 10 will be completing their final assessment during weeks beginning 17th & 24th June, and week beginning 1st July. This is an opportunity for students to demonstrate the progress they have made during this academic year. Students are currently preparing for these exams in class. The timetable is attached to this letter and can also be found on the school website. In order to support students with their learning a Year 10 revision guide is also on the school's website.

In order to start to prepare students for their GCSE exams, Year 10 exams will take place in the examination hall. The reason for these exams is to replicate the procedures of the GCSEs, in order to give Year 10 an understanding of the protocol and expectations. Students will be informed of the procedures they will need to follow prior to the exam, entering the exam hall, and while they are completing the exam. Qualified invigilators will oversee the exams and students will be expected to follow their instructions at all times.

Students will be expected to have their full writing equipment:

- Transparent pencil case
- Black ball pens
- Pencil, sharpener, rubber
- A full maths set
- Calculator
- Water can be brought into the exam hall in clear plastic bottles with all labels removed.

None of this equipment will be provided during the exam and students will be sanctioned if they fail to have their equipment.

Please do not hesitate to contact Ms Fubara if you wish to discuss the exams further.

Thank you for your continued support and involvement in your child's education.

Yours sincerely,

Ms M Farrugia
Vice Principal
