

Tuesday 4<sup>th</sup> December 2018

Dear Parents/Carers,

**Toilet Twinning**

I'm writing to let you know about Toilet Twinning which is the charity initiative the school has chosen to support for the rest of this academic year. Toilet Twinning is a water and sanitation project which seeks to provide people in desperate poverty with access to a proper toilet, clean water and the information they require to be healthy. For £60 the charity will provide a community with the resources required to build a toilet and provide vital education about hygiene.

Our vision is that each PAM/class at SMSJ will raise at least £60 to twin a toilet in school with a toilet somewhere around the world. Each PAM/class will be able to choose the location of their twinned toilet. For each toilet that is twinned we receive a certificate that can be hung in the toilet in school to show it has been twinned.

More information on the charity can be found here: <https://www.toilettwinning.org> perhaps you will feel inspired to do a little Toilet Twinning at home too!

Students will be working on fundraising ideas and we will also be running whole school events to help raise funds.

Thank you in advance for your support with this project.

Yours sincerely,

Mrs H Mason

Mrs F McGiniss

Assistant Principal, Community

Head of Performing Arts
