Dear Parents/ Carers,

Food Technology - Year 10 Students

As part of Food Technology lessons, ingredients are being provided for by the school for all your child's Food Technology lessons this year.

In order for this to continue we are requesting an annual payment of £50.00 towards the cost of the ingredients.

This payment will cover the cost of ingredients for all the practical's that we have completed so far, and includes the practical's for this academic school year. The pupils will be completing more complicated recipes towards the end of the year.

Payment should be made via ParentPay and can be paid in two instalments, with the first payment due no later than Friday 23rd November 2018, and the second payment due by 1st February 2019.

Thank you for your continued support.

Yours sincerely,

Miss P Wimberley
Head of Design Technology & Art
