

Wednesday 10<sup>th</sup> October 2018

Dear Parents/Carers,

**Science, Technology, Engineering, Art & Mathematics**

**STEAM@smsj**

Did you know that careers in science, technology, engineering and mathematics (STEM) are growing more than twice as fast as the rest of the job market? You already know how valuable STEM is to your child's future success . . . but do you know how much fun it can be? Here at SMSJ we include the creative arts in order to explore every talent of our students.

Your child has shown an interest in joining STEAM. The club will be held every Monday from 3.30pm to 4.30pm at Senior School, Stamford Raffles. The club aims to inspire students and engage them in all aspects of science, technology, engineering, art and mathematics. It will provide an opportunity to see and take part in aspects of science that it may not be possible to do during normal lesson time. Across the curriculum there will also be activities which link strongly with STEAM (science, technology, engineering and mathematics). There will be an emphasis on fun learning of science with standalone activities and project work.

The activities will take place in the science department and around the school. There may be opportunities for out of school activities, during the course of the year. If so, you will be contacted to give permission for each specific activity or event. Please complete the consent form below and return to the Bennett House Office.

If you would like further information then please contact Mrs Cox. Thank you for your continued support.

Yours sincerely,

Mrs J Cox  
STEAM Lead

### STEAM Club - Arkwright Scholar

I give my permission for \_\_\_\_\_ Class \_\_\_\_\_ to attend STEAM club after school every Monday from 3.30pm -4.30pm.

My child may/may not make their own way home afterwards.

I will/will not be collecting my child from Senior School, Stamford Raffles each week.

Signed \_\_\_\_\_ (Parent/Carer) Date \_\_\_\_\_
