PARENT MORNINGS - Nursery to Year 6

Dear Parents/Carers,

We will be starting our regular parent mornings after the half term at SMSJ and will now be extending these to Year 5 and 6 at Bennett House Campus too. These sessions will enable you to spend some time in the classroom with your child and maybe a few of their friends! The theme of these sessions will be different each time and are detailed below.

Teachers will not be available during these sessions to discuss individual children's progress and we would ask that you leave these types of discussions for parent meetings or make an alternative appointment with the class teacher.

There is no requirement to attend these sessions, they are completely voluntary and you do not need to be present every session, although you would be very welcome. If you have more than one child in these year groups or classes you can alternate which class you go in to.

For morning sessions, please let the children come in to the school building first to be registered and wait in the playground until a member of staff calls you in.

We regret that due to the space in classrooms, we will not be able to accommodate pre-school children or buggies at these sessions.

We look forward to seeing you after the half term break.

Yours Sincerely,

Mrs Paula Treadaway
Head of Primary School
