

Thursday 11<sup>th</sup> October 2018

Dear Parents/Carers,

**Science, Technology, Engineering, Art & Mathematics**

**STEAM@smsj**

Did you know that careers in science, technology, engineering and mathematics (STEM) are growing more than twice as fast as the rest of the job market? You already know how valuable STEM is to your child's future success . . . but do you know how much fun it can be? Here at SMSJ we include the creative arts in order to explore every talent of our students.

Your child has shown an interest in joining STEAM. The club will be held every Tuesday from 3.30pm to 5.00 pm at Junior School, Bennett House. The club aims to inspire students and engage them in all aspects of science, technology, engineering, art and mathematics. It will provide an opportunity to see and take part in aspects of science that it may not be possible to do during normal lesson time. Across the curriculum there will also be activities which link strongly with STEAM (science, technology, engineering and mathematics). There will be an emphasis on fun learning of science with standalone activities and project work.

The activities will take place in the science department and around the school. There may be opportunities for out of school activities, during the course of the year. If so, you will be contacted to give permission for each specific activity or event. Please complete the consent form below and return to the Bennett House Office.

If you would like further information then please contact Mrs Cox. Thank you for your continued support.

Yours sincerely,

A handwritten signature in black ink, appearing to be 'J Cox', written on a light-colored background.

### STEAM Club

I give my permission for \_\_\_\_\_ Class \_\_\_\_\_ to attend STEAM club  
after school every Tuesday from 3.30-5.00pm

My child may/may not make their own way home afterwards.

I will/will not be collecting my child from Junior School, Bennett House each week.

Signed \_\_\_\_\_ (Parent/Carer) Date \_\_\_\_\_
